

Dear Valued Guest,

COVID-19 Update: We are striving to create the safest experience for you possible. To protect our guests and employees and to comply with all the Government mandates we have either suspended or modified some of our amenity items:

- The Lobby coffee/tea program will be served by staff and is available 24 hours a day at the Front Desk.
- Limited Pool Hours & Occupancy: Our pool is open daily from 9 am -11 am, 4 pm-10 pm. At this time, we can only allow 27 guests to be in the pool area at one time. Please do not bring any food or coolers into the pool area, and remember to socially distance as much as possible in all public spaces.
- Exercise Room is restricted to one person/family at a time.
- We have suspended Housekeeping services for stayover rooms – supplies will be available at the desk.
- Breakfast Update: Due to COVID-19, we have changed our morning breakfast procedure for the safety of our guests and staff. Our new cafeteria-style served Breakfast will be available from 7 am-10 am daily.

On July 13, The City of Duluth passed an ordinance mandating patrons of businesses to wear face coverings. You must wear your masks in the Hotel's public areas. Masks will be confirmed upon registration, if you do not have them they will be available for \$1each.

Lakewalk Update: Due to three major storms, the city of Duluth, State of Minnesota, and US Federal Agencies are repairing and upgrading the Lake Superior Lakewalk in Canal Park through 2020. The work will enhance the use of this Lakewalk and protect our shoreline for the future. We understand the additional noise and the disrupted view of our great lake will be inconvenient for now, but it truly will be worthwhile in the long run for our property and the city of Duluth. We appreciate your patience while we wait for the work to be completed, and look forward to the finished product.

Thank you to our guests and friends of Canal Park Lodge for your continued patience and understanding during this ever-changing and difficult time within the pandemic. We appreciate you, and we hope that we can still make your trip to Duluth great!

Sincerely,
